

The illustration shows a character standing on a rocky outcrop. To the right is a game board with a grid of 20 numbered spaces (1-20). Above the grid are several empty boxes and icons, including a hand holding a card and a red flower with the number 0. The board is decorated with ornate patterns and small icons of birds.

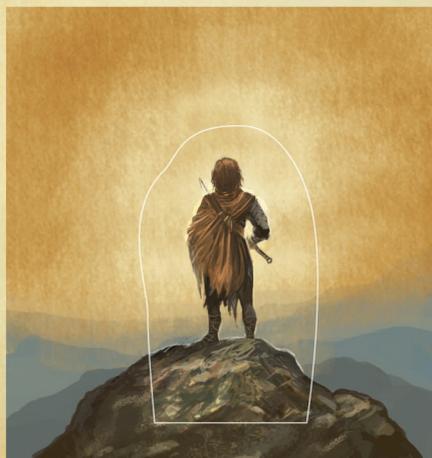

O Estrangeiro é um novo herói para
“*Lendas de Andor*”.

A novidade é que você pode criá-lo do seu jeito.

**Você decide qual nome, qual habilidade especial
e qual cor ele possui.**

The board game interface features a grid of numbers 1 through 20. Above the grid are three empty circular slots and two bird icons. To the left of the grid are three empty square slots. A small icon of a hand is positioned above the number 1. Below the grid are three rows of dice: the first row has five dice and a red flower icon with the number 0; the second row has five dice and the number 7; the third row has five dice and the numbers 14, 15, 16, 17, 18, 19, and 20. An arrow points from the red flower icon to the number 3.

O Estrangeiro

Algumas pessoas dizem que houve um outro herói que ajudou os heróis de Andor.

Mas parece que seu nome foi esquecido e ninguém sabe de onde ele veio ou quais eram suas habilidades...
